

PARTICIPATE AT AN EVENT AT DENNY!

Come alone or as part of a group!

Many people come along and participate at an event as they have a particular skill or interest in the theme of the event which they'd like to share with the public.

Maybe you:

- Have a collection of 1940's items you'd like to show off
- Have a vintage vehicle you'd like to bring along
- Like demonstrating a specific rural craft such as butter making, spinning, bee keeping, brick making, rag rug making etc
- Like to show off your maypole dancing skills
- Belong to a group of re-enactors who'd like to set up camp
- Love to show off your historic cooking skills
- Have a collection of farming tools you'd like to demonstrate
- Belong to a natural history or environment group who'd like to have a stand
