

# Have Fun Making an Easter Rabbit!

All you will need is paper,  
scissors and glue.

## Easter Bunny Instructions

Cut 4 long strips of paper the length of the A4 paper.

Cut 4 shorter strips of paper the width of the A4 paper.

Glue the long strips to make 2 crosses

Glue the 2 crosses to make a snowflake.

Glue the opposite strips together, forming loops, until all the strips are glued together and you have a ball.

Do the same with the short strips.

Glue the paper balls together. (2 paper clips will help to hold the rolls together while the glue dries)

Draw and cut out the ears, the teeth, the eyes and a small square for the snout.

Draw a nose on the snout.

Draw a line in the middle of the teeth and glue the teeth on to the snout.

Glue the ears, the snout and the eyes onto the head.

Hello Bunny!!
