

Have Fun making this Simple Easter Bunny

All you will need is paper,
scissors and glue.

Cut two strips of paper about 40cm wide, one slightly shorter than the other.

Draw 2 eyes, a nose and mouth on to the shorter strip

Roll each strip into a tube shape and glue it.

Glue the rolls together (2 paper clips will help to hold the rolls together while the glue dries)

Cut out two ears.

Cut out a flat base about 40cm wide with 2 bunny feet

Glue the base onto the bottom of the body

Glue the ears onto the top of head.

Hello Bunny!
